904/320 Free Ski Week &
Two-For-One Passes. Details inside.

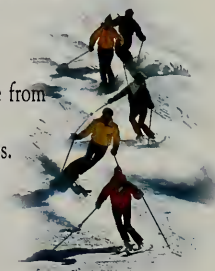

There's nothing quite like skiing in Massachusetts.

If you haven't tried it this is the year to learn. During the week of December 15 through the 21st, participating ski areas will give you a beginner lesson, equipment rental and beginner lift ticket or trail pass for free! And if you know how to ski, why not take advantage of our special two-for-one ski weeks.

You'll not only discover how easy and fun it is to ski, but also that skiing in Massachusetts means spending less time in the car and more time on the slopes.

Our ski areas are only a two-hour drive from New York and most other northeastern cities.

If you're an in-state skier, the ski trails are practically in your backyard.

You'll also spend less time waiting in lift lines. So if you're a beginner, you'll have more time to learn, and if you're an expert, you'll have more time to perfect your technique.

No matter when you ski Massachusetts, you'll always have plenty of snow because we make our own when nature doesn't. You can even ski at night under the lights.

And when you leave the slopes at the end of the day, you'll always find plenty of apres-ski activity and lots of cozy inns and B&Bs nearby.

But aside from the great skiing, there's the feeling you get from being in Massachusetts in wintertime.

There's a spirit here that you can't find anywhere else.

Ski Massachusetts this winter with your family and friends.

You've got to Ski It To Believe It!

SKI SAFELY, DRIVE SAFELY.

A message from the Massachusetts Turnpike Authority.

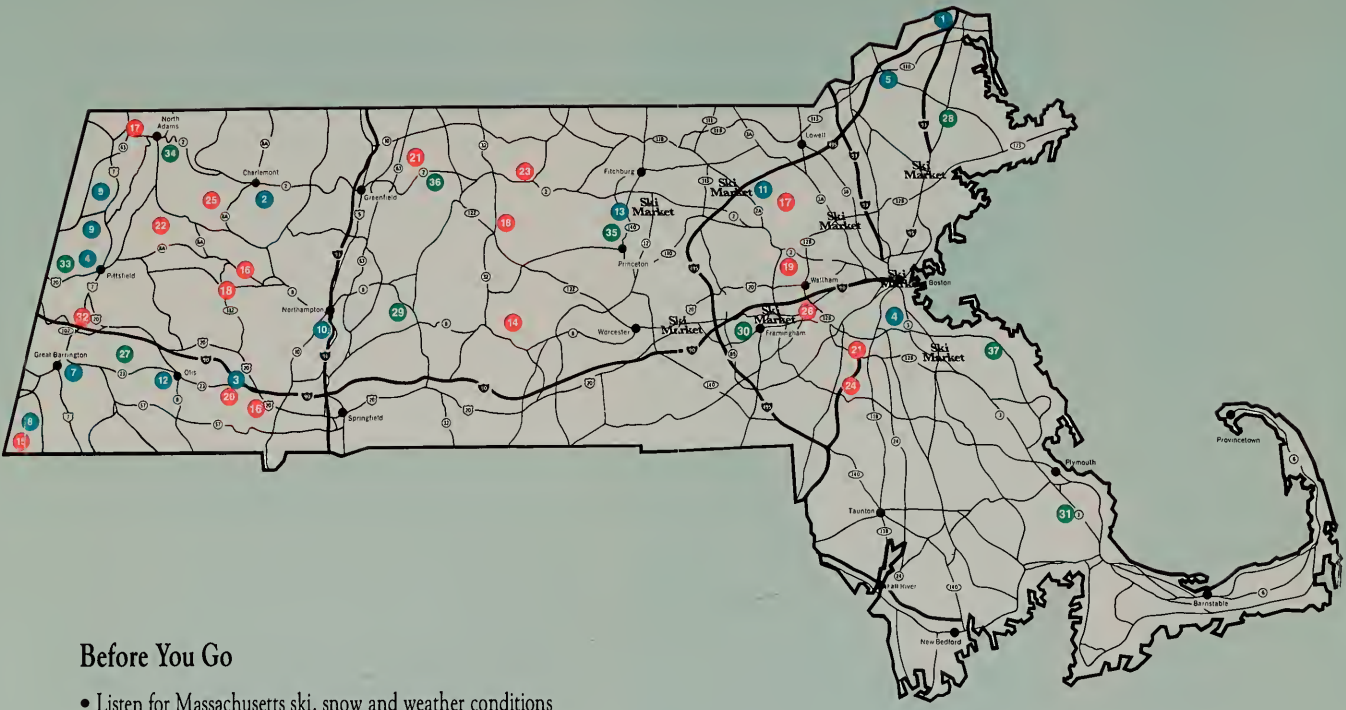

THE MASSACHUSETTS SKI AREAS ASSOCIATION INVITES YOU

to ski the best that New England has to offer. Massachusetts offers great skiing, exceptional value, and unequalled accessibility. Ski Massachusetts and find:

- trails for every level of skiing;
- instructors who really care;
- snowmaking, night skiing, and constant trail grooming;
- season passes, group rates, and special packages

And, most important, when you ski Massachusetts, you spend less time on the road and more time on the slopes. So Ski Massachusetts.

The Massachusetts Ski Areas Association

Before You Go

- Listen for Massachusetts ski, snow and weather conditions broadcast over metropolitan radio and TV.
- Check the sports page of local newspapers for ski conditions.
- For lodging and other information on any specific ski area, contact that area directly.
- Please note that I-90 is The Massachusetts Turnpike.

“Ski It to Believe It” promotion is sponsored by the Massachusetts Office of Travel and Tourism, in cooperation with the Mass. Turnpike Authority, Mass. Ski Areas Association, and Ski Market stores.
